# Key Features

- 1 Learn from scratch, become zero to hero
- 2 Interview questions discussions on each topic
- 3 Life-time access to Course Material
- 4 Instructor Led Live Trainings from Industry Experts
- 5 Certification of completion
- 6 Learn Anytime Anywhere
- 7 Assignments and Quizzes
- 8 24\*7 Help & Support
- 9 Hands On Experience
- 10 Live Projects

## Thinkcloudly's Training Methodology

**Live Projects :** To facilitate experiential learning during the training period, participants participate in Live Projects. It helps in gaining a better understanding of the concepts and a deeper understanding of practical applications.

**Unique Pedagogy :** The teaching techniques used are based on our G.C.A.O. (Goal Centric Action Oriented) pedagogy. In this way, participants can derive action-oriented outcomes from their training.

**End-to-End Engagement :** We will engage the participants throughout the training with reverse presentations, assignments, quizzes, and brainstorming sessions.

## Learning **Benefits**

- ✔ Identify AWS architecture best practices and develop a solution plan.
- ✔ Utilize hybrid IT architectures to design a cost-effective and scalable system.
- ✔ Discover the best practices and policies of IAM for the Amazon Virtual Private Cloud.
- ✔ Understand Amazon Route 53 concepts and its best practices.
- ✔ Choose an effective AWS service based on your database and security needs.
- ✔ Understanding of Amazon EBS and EC2 instance types.
- ✔ Estimate AWS costs by identifying various cost control mechanisms.
- ✔ Learn to develop a plan to move existing on-premises applications to AWS

## Career **Benefits**

- ✦ Become eligible for positions demanding a background in Cloud Computing
- ✦ Open doors to job opportunities worldwide requiring specialization.
- ✦ Gain promotion in current role with most in-demand skill.
- ✦ Earn a Rewarding AWS Certified Solutions Architect Certification.
- ✦ Fill the void of thousands of unfilled high-paying jobs in the cloud industry with talent shortfall
- ✦ Make your profile stand out from your peers during an interview.
- ✦ Update your business card with the AWS Hallmark of Credential next to your name.
- ✦ Support a Startup.
- ✦ Professionally develop your CV and LinkedIn profile.
- ✦ Start up a business in one of the most rewarding industries of today.

## THE **WHOLE TRUTH**

The training session was detailed enough to help me get through my AWS Certification and get through my interviews successfully.

Jonemi

It makes me happy that THINKCLOUDLY makes sure you learn it and perform on your own. the interview preparation is also top notch

Oluwafunmilayo

I have completed Azure Fundamentals Certification from Thinkcloudly. The course content is well maintained with current industry practice.

Alan M. Anthony

Thinkcloudly's recorded video sessions of class lectures is amazing, so if you can't attend any class, you can learn from them. Many thanks

Ashley R. Steinbeck
